Election of Council Members

Call for Nominations/Willingness to Serve

The AAUP's purpose is "to facilitate a more effective cooperation among teachers and research scholars in universities and colleges ... for the promotion of the interests of higher education and research, and in general to increase the usefulness and advance the standards, ideals, and welfare of the profession," as stated in its constitution.

The bylaws of WCSU-AAUP state that the objective of our organization is to represent the professional and economic interests of the Western Connecticut State University faculty, follow and implement the policies and standards adopted by the CSU-AAUP wherever possible and appropriate, and provide fair and adequate representation through collective bargaining and grievance procedures to all members.

Everyone who takes a leadership role in AAUP cares deeply about the university and academia. We are committed to making WCSU a better place for faculty and students. We work to maintain healthy relationships with University Management and University Senate.

The Nominations and Elections Committee announces the election for one council member and issues this call for willingness to serve. This position is for a one year term. For more detailed information, please see our bylaws at http://www.wcsuaaup.org/?page_id=244.
